

Sworn Statement of Inmate [REDACTED]

(1) I declare that the following is true and correct:

(2) On March 24, 2006, I was interviewed by Officer D. Walton concerning the contents of a confidential memo dated May 3, 2001, which alleges that I am the informant and that I have had a conversation with Officer Guerra stating that Mr. Gray was recruiting for the BGF when he was at Tehachapi Prison's general population. The entire confidential memo is false; no such conversation ever took place between me and Officer Guerra regarding Mr. Gray. I don't even know who Officer Guerra is and I have never personally met Mr. Gray.

(3) I stand by my statement given on March 24, 2006, to Officer D. Walton.

(3) Clearly, this is an officer who has something against Mr. Gray, which is evident by his fabrications and allegations intimating that they came from me. As long as the allegations remained confidential, none of the parties would have ever known because they would not have access and Officer Guerra's actions would never have been exposed. They have been exposed, however, and the result has brought potential harm to me—alleging that I am an informant and I am not an informant.

I declare under the penalty of perjury that the above statement is true and correct to the best of my knowledge, which I will testify to if it becomes necessary.

INMATE SMITH SWORN STATEMENT

1 Sworn Statement of Inmate [REDACTED]

2
3 (1) I declare that the following is true and correct:

4
5 (2) Recently in an interview conducted by Officer D. Walton, I was informed that a
6 confidential document had been placed in my file regarding Mr. Ricky Gray/C-32622, which
7 alleges that I had a conversation with Officer Guerra about Mr. Gray; that Mr. Gray was the
8 one trying to recruit inmates for the BGF at Tehachapi Prison's general population.

9 (3) I can say with complete certainty that I do not know Ricky Gray nor did I ever make the
10 allegations asserted in a confidential memo dated May 3, 2001. Furthermore, I do not know
11 the author of the chrono Officer Guerra. The statements made within it are false.

12
13 (4) I stand firmly by my response given on April 2, 2006, to Officer D. Walton. It is a true
14 and correct statement.

15 (5) In addition, I feel that Officer Guerra's false allegations have placed my life in danger,
16 intimating that I am an informant. This can cause serious harm to me and demonstrates a
17 serious act of misconduct by the author.

18
19 (6) I had no knowledge of the existence of this document nor was I ever asked to sign it.
20 Again, these are false allegations.

21 I declare under the penalty of perjury that the above statement is true and correct to the
22 best of my knowledge, which I will testify to if it becomes necessary.
